

Atomic Apple Crumble

Makes

8-10

TIP

Use other tinned fruit such as apricots or peaches. Add frozen fruit instead of banana.

Ingredients

- 770g tin of sliced apple
- 4 medium bananas
- 1 litre vanilla custard
- ½ packet of Granita biscuits
- 1 ½ cups oats
- ½ cup coconut
- 2 tsp cinnamon

Equipment

- Can opener
- Knives
- Chopping boards
- Spoons
- Large mixing bowl
- Measuring cups
- Snap lock bag
- Rolling pin
- Serving cups and spoons

How to make it

1. Carefully open tin of apple. Chop apple into small pieces and divide between cups.

2. Peel bananas and slice into 1cm pieces. Divide banana slices between cups.

3. Pour a small amount of custard over apple & banana in each cup.

4. Place biscuits into the snap lock bag and crush using rolling pin.

5. Mix crushed biscuits with oats, coconut & cinnamon in mixing bowl. Place a spoonful of crumble into each cup. Serve with a spoon.
